

Welcome to Meet The Danes

Home Hosted Dinner in Copenhagen

Meet The Danes was founded in year 2000 and is a private family owned inbound travel agency serving tourists and business guests who are visiting Copenhagen.

We have specialized in a very unique product called *Home Hosted Dinners*. These arrangements are giving people from around the world the opportunity to *Meet The Danes* in their own private homes.

We invite you or your clients to enjoy a home cooked Danish dinner in the glow of candle lights. This unique experience opens the doors to a genuine meeting with the Danes and to gain knowledge about the culture and modern lifestyle.

Our Home Hosted Dinner program has become a big success and both journalists and guests from around the world who have participated in this special event consider it one of the most wonderful and interesting experiences they have had in Scandinavia.

In November 2002 *Meet The Danes* received "The Silver Otter Award from the British Guild of Travel Writers" - *Best Overseas Tourism Project* for our concept.
